(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner discussed changes that could be made to elected claims 1-9 to place the claims in condition for allowance. In particular, independent claims 1, 3, and 7 required a limitation to the essential element of the adhesive on the flexible membrane to avoid slippage of clots. Examiner also pointed out the corrections to the drawings and the specification would be required..
